

DECLARATION AND POWER OF ATTORNEY

We, Paul Van Riel and Hendrik Willem Johan Debeye, declare:

We are citizens of the Netherlands and residents of Rotterdam, The Netherlands and The Hague, The Netherlands, whose post-office addresses are Prinses Julianalaan 47, NL-3062 DD Rotterdam, The Netherlands and Piet Heynstraat 130, NL-2518 CM Den Haag, The Netherlands, respectively.

We believe ourselves to be the original, first and joint inventors of the improvement in "A Method and Device for the Generation and Application of Anisotropic Elastic Parameters" for which a patent application was filed in the United States Patent and Trademark Office on October 27, 2003 and bears Serial No. 10/694,621.

We have reviewed and understand the contents of the specification, including the claims.

We do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application; or in public use or on sale in the United States more than one year prior to this application.

Said invention has not been patented or been made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to this application.

We acknowledge our duty to disclose information of which we are aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

No application for patent or inventor's certificate thereon has been filed by us or our legal representatives or assigns in any country foreign to the United States.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint Richard L. Byrne, Registration No. 28,498; William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Frederick B. Ziesenheim, Registration No. 19,438; Kent E. Baldauf, Registration No. 25,826; Barbara E. Johnson, Registration No. 31,198; Paul M.
